SUPPLEMENT TO PETITION UNDER 37 CFR 1.48(a)

Sir:

This is in response to the Communication of Deficient Petition dated 02/11/2005.

No additional fee is required.

Kindly consider this petition and the supporting documents submitted herewith as sufficient and in full compliance with the requirements 37 CFR 1.48(a).

Remarks/Arguments begin on page 2 of this paper.

An Appendix including is attached following page 3 of this paper.

Appl. No.: 10/707,432
Amdt. Dated: 4/4/2005
Reply to Office action of: 02/11/2005

REMARKS/ARGUMENTS

The Examiner in a communication dated 02/11/2005 noted that Applicants Petition to Correct Inventorship under 37 CFR 1.48(a) was deficient because: "An oath or declaration by each actual inventor or inventors listing the entire inventive entity has not been submitted." (a copy of the communication attached hereto for the Examiner's convenience).

Applicants submit herewith a new declaration which lists the complete inventive entity and signed by all but one of the inventors. The non-signing inventor Mr. John McKenzie signed the original declaration filed with the original case filing. In the interim Mr. John McKenzie has left the Assignee Company and refuses to communicate with this Assignee's attorney. However, in light of Mr. John McKenzie having signed the original declaration initially filed with this case Applicants believe that their Petition to Correct Inventorship is now in condition for allowance.

In addition, this attorney states that he called Mr. John McKenzie at the phone number provided by the Assignee on March 9, 2005 and on March 10, 2005. In both cases this attorney got an answering machine stating that the number was that of Mr. John McKenzie. This attorney left a message to return the phone call in both cases. Mr. John McKenzie did not respond to either phone call. On March 11, 2005 this attorney mailed, by certified mail return receipt requested (see exhibit A), a cover letter asking Mr. John McKenzie to execute the new declaration also enclosed and return same to this attorney (see exhibits B & C). Mr. John McKenzie did not respond. The return receipt has not been received as of this date, nor has the delivery been returned to this attorney by the Postal Service. This attorney called Mr. John McKenzie for a third time on March 29, 2005 and again was connected to an answering machine. Again a message to return the call was left and no response has been forthcoming to date.

The last known address of Mr. John McKenzie is 4420 Buckingham, Royal Oak, MI 48073; phone number 248-514-1123

In light of the attached new declaration naming the complete inventive entity signed by all but one of the original inventive signatories, the original declaration being signed by the now non-signing inventor Mr. John McKenzie, and this attorney's diligent

efforts to contact the non-signing inventor Mr. John McKenzie to procure his signature on the new declaration Applicants believe their Petition under 37 CFR 1.48(a) is in condition for grant and such action is respectfully solicited.

Respectfully submitted,
